The Grey Army Story

Grey Army was established in April 1997.

Our genesis was as a marketplace for senior Australians to offer and commission reliable home maintenance work.

It was immediately embraced by the public!

From a humble beginning we have grown to become a significant property maintenance company with over 2,500 team members across the country. Our clients include people of all ages looking for a reliable service through to large Corporations, Government and non-government institutions.

How we express our values has evolved over time. Our current expression is summed up in two key words

Integrity & Respect

They may seem a little old fashioned, but we like them for the commitment they make to our customers to treat them with the greatest care, putting their needs first. It is this difference from our competitors which has built our business into what it is today.... quite possibly the most **Trusted** property maintenance company in the country.

greyArmy

Do you Share our Values?

Our values are incredibly important to us.

We have spent considerable time and money delivering on these values, they are what sets us apart from other maintenance companies. They are also why we have been able to extend our service offering in to Aged Care and Disability Support.

At the end of the day it all comes down to Trust

We cherish the Trust our customers have in us to deliver time and time again. We honour this Trust by committing to the 12 pillars opposite.

To join our Team you must share our commitment to the pledge.

Our Values

Our Pledge

Respect
Reliability
Honesty
Trustworthiness
On Time Performance
Competence on the task at hand
Written quotes and receipts
Fair & reasonable pricing
Cleanliness around Job Sites & Homes
Honouring OH&S responsibilities
Appropriate dress including uniform
Customer Satisfaction

What is a Service Provider

A service Provider is a self employed individual (sole trader or company), who works under their own business and, who may also provide their services and skills to others including other contractors who may require their services.

Information you should consider

All work carried out by GreyArmy head office is at no charge to you. This includes advertising, lead management, and customer satisfaction surveys.

Grey Army acts as a referral agent only for Service Providers and as such does not contract directly with members of the public for any assembly or installation or home & property maintenance tasks. Grey Army refers requests for such services to you and the service provided to members of the public are undertaken solely by you or your business. Consequently, Grey Army is not liable to any person for any direct or indirect loss, claim, damage, cost or expense arising in any way from (but not limited to) any failure by those independent contractors to perform, undertake or complete the service provided to any member of the public by you. You and your business are solely responsible.

We monitor the performance of all service providers including, call response, job success rates, customer satisfaction etc. Failing to meet the criteria could ultimately cause termination of our agreements.
